Admissions & Fees at a Glance

> Joining Rochford's takes six steps: enquire, free consultation, a friendly assessment, a written offer, enrolment and orientation. Students aged 5 to 18 are placed by competency, not age. Year 1 to 11 fees are charged over four terms a year, from RM 3,400 to RM 4,900 a term.

Who can apply

Students aged 5 to 18, at our Falim (Ipoh) school, our Ipoh Garden East and Cameron Highlands centres, or through Online Distance Learning (ODL). We place students by competency and readiness, not by age, and there is no specific academic entry requirement: we carry out our own initial assessment. All teaching is in English.

The six steps

1. **Enquire** by WhatsApp, phone, email or a walk-in visit.
2. **Free consultation**, in person or online, with no obligation.
3. **Assessment**: a short, friendly diagnostic, not a pass/fail exam.
4. **Written offer** with the recommended programme and fee breakdown.
5. **Enrolment**: registration form, documents and the first term's fees.
6. **Welcome**: orientation and an introduction to the modular system.
